Meet the Artist

Orpa Op't Hof has been a full-time artist for the last three years. She is inspired by nature, people and creative images that manifest themselves in her mind. Her art is original and is different from the normal art out there. Buyers can immerse themselves in the meaning of the picture.

Every picture has a meaning. Her works are not reproduced nor are they prints. Therefore, each piece of art is unique - no two pieces are the same.

The artist wants the viewer/buyer to interpret in their own mind the mystery in the piece and to identify with it. To see and understand something different.
